# HISTORY OF THE CLUB

The Mesaieed Golf Club has been a landmark for the past 58 years. The club established in 1951, has played a pioneering role in introducing, sustaining, and popularizing the sport of Golf in the State of Qatar. Since its humble beginning as 09-hole brown course with sand and oil mixture, was originally developed as an alternative for the grass course by oil drilling pioneers for the sport then known as “Desert-Golf”.

In 1959 the course was further developed into an 18-hole course in order to host the Middle east Oil Industry Golf Association (MEOIGA) Trophy Championship. Qatar Petroleum has since then taken pride in maintaining the course. The club host the prestigious QP Challenge trophy and many other sponsored competitions and championships.

## WHO ARE THE PRESENT MEMBERS?

The members of the club are mainly QP employees and their families. There are many Associate Company members as well. It is open to all employee levels.
